

2002-2003 Officers

Chair	Anne Dieska 864-627-5741 anne.dieska@us.michelin.com
Vice-Chair	Dan Brechko 864-599-4291 dbrechko@lg.com
Secretary	Eugene Gill 864-281-8627 wsaiche@yahoo.com
Treasurer	Rick Vogel 864-281-6702 rick.vogel@fluor.com

Letter from the Chair

I would like to welcome you to another session of your AIChE Section. This summer, your Executive Committee was hard at work coming up with some interesting topics for this year.

The Executive Committee is made up of the current officers, and the following members:

- ❖ Mary Ferris, Cryovac
- ❖ David Laursen, Fluor Daniel
- ❖ Clare Wood, Professional Coach
- ❖ Jim Young, Fluor Daniel

Here are some of the scheduled events that the Committee has put together for this year:

- × cGMPs for Pharmaceuticals – Floyd Sauvé
- × Tour of the South Carolina Institute for Energy Studies Lab @ Clemson
- × Ethics in Engineering - Donovan Norris
- × “Factory Flow, Child’s Play” (Inventory Management) – Tom Krupka
- × Business Etiquette – Mot Dalton

I look forward to seeing all of you soon!

Meeting Notice!

As more chemical engineers become involved in the food and pharmaceutical industries, it is increasingly important to understand the regulations that govern these facilities. Learn the basics of where the regulations come from and how to comply.

Current Good Manufacturing Practices (cGMP’s) by Floyd Sauvé

DATE:	Tuesday, September 17, 2002
TIME:	6:00 p.m. Social and Dinner 7:30 p.m. Presentation
LOCATION:	Holiday Inn – Greenville Augusta Road & I-85
COST:	\$ 12 Members, \$15 Non-members Presentation only - Free
DIRECTIONS:	I-85 To Exit 45a Augusta Road Business 25 South

Répondez s’il vous plaît to Secretary Gill by Friday, September 13th
wsaiche@yahoo.com

Please note that the dinner portion of the meeting is not mandatory. Arrive by 7:30 if you want to see the presentation without dinner.

Only RSVP if you want dinner.

Engineering Explorer Post

We are also investigating becoming involved with the Engineering Explorers Post in Greenville. The Post is aimed at Greenville County high school students with an interest

in engineering as a profession. Through the program, students learn about engineering with guest speakers (such as college recruiters from USC and Clemson), tours of plants in the area, projects, and social events. We would like to help plan a meeting with these students to do hands-on activities or plant tours. Interested parties should contact David Laursen at (864) 281-5981, or via email at david.laursen@fluor.com.

50 Years in AIChE

A hearty **CONGRATULATIONS** goes out to E.D. Remy who has been a member of AIChE for 50 years.

Clemson Scholarship

This year, we are going to handle the annual \$1,000 Clemson Scholarship a little differently. We will announce the scholarship and distribute the applications at the October meeting when we have a joint meeting with the students and then award the scholarship at our joint meeting in February. This year, Clemson Financial Aid offered to place our \$1,000 contribution into their scholarship fund to be distributed to a student in the fall term. The Committee considered this opportunity and voted to keep direct control over the selection process and to deliver the award directly to the student.
